#### Rules on letting this property

Properties can be let if they have an energy rating from A to E.  
[You can read guidance for landlords on the regulations and exemptions here.](https://www.gov.uk/guidance/minimum-energy-efficiency-standards-for-rental-properties)

#### Energy rating and score

This property's energy rating is D. It has the potential to be B.

[See how to improve this property's energy efficiency](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

- the average energy rating is D
- the average energy score is 60
