

Charming 1960s Three-Bedroom Semi-Detached Home in the Heart of Darlington's West End

Nestled on a generous corner plot in the highly desirable West End of Darlington, this characterful three-bedroom semi-detached period property dates back to the 1930s and is brimming with potential. Having been lovingly occupied by the previous owner for approximately 30 years, the home now presents a rare opportunity for a new family to make it their own.

The property boasts classic period features and has been enhanced by a single-storey extension, providing additional living space ideal for modern family life. Set in an established and sought-after neighbourhood, the home is perfectly positioned close to a range of local amenities and within catchment of some of Darlington's most highly regarded schools.

Although the property would benefit from a degree of modernisation, it offers a fantastic blank canvas for those looking to create their dream home in a prime location. With its spacious layout, excellent potential, and attractive corner position, it represents a superb opportunity for families and buyers seeking a long-term home.
