Set in the centre of Crook town we have the pleasure of bringing to the sales market this self build plot with approved planning permission for a five bedroom detached executive home.

Located on the former school site on Croft Street, plans are fully approved for this contemporary 5 bedroom detached home of superb proportions, block built and rendered to create a modern design.

Attention to detail has been key to this development with taking in the peaceful surrounding with town centre amenities within a short stroll away.

The development has two other 5 bedroom self build plots (one has been sold) and the conversion of the old school building, creating 4 high quality homes with double garages.
