Property Description

Downton is an attractive three bed roomed semi-detached house situated within the popular village of Wellington Heath. The property has undergone a scheme of updating by the current owner creating a beautiful and contemporary family home.

The addition of a Cedar clad side extension has opened up the living space to create an open-plan kitchen/dining family room with large sliding doors to the private courtyard garden, separate utility room and ground floor shower room. Above the family room is a large decked south facing sun terrace with walk-on roof light, a wonderful private area to sit and enjoy the far reaching views.

The property benefits from gas fired central heating and double glazing throughout with accommodation comprising to the ground floor an entrance hall, sitting room, shower room with WC, utility room and kitchen/family/dining room. To the first floor are three bedrooms and re-fitted family bathroom. Outside, the property benefits from driveway parking and gardens to front and rear. There is a paved courtyard with steps leading to a terraced garden and further access to the decked sun terrace.

The owner has advised that planning permission was granted in 2018 for a two-storey side extension, creating a new master bedroom with ensuite bathroom above the existing side extension, planning lapsed in 2021.

The agent highly recommend a viewing to appreciate this beautiful home and lovely views.
