14 Wyche Road, , MalvernWorcestershire, WR14 4EG

14 Wyche Road

Location & Description

The house enjoys a convenient position less than a mile from the centre of the cultural and historic spa town of Great Malvern where there is a full range of amenities including shops and banks, Waitrose supermarket, the renowned theatre and cinema complex and the Splash leisure pool and gymnasium. Transport communications are excellent. There is a mainline railway station approximately a mile away in Malvern itself. Junction 7 of the M5 motorway near Worcester and Junction 1 of the M50 south of Upton upon Severn are both within approximately 10 miles.

Educational facilities are well catered for. In the private sector the renowned Malvern College and Malvern St James Girls school are both in Great Malvern and in the state system the property falls within the catchment area of the ever popular Chase secondary school. It is also within walking distance of one of the most favoured junior schools in the region, The Wyche Primary.

Situated on the upper eastern slopes of the Malvern Hills and literally on the doorstep of the comprehensive network of footpaths and bridleways that criss-cross the area. These together with nearby Peachfield and Malvern Commons provide the perfect choice for those who enjoy the outdoor life, like to walk the dog or who have active children needing space to play.

Property Description

It affords a fantastic opportunity to purchase a substantial, detached, six bedroom property that requires some further refurbishment allowing purchaser to make the property their own. 14 Wyche Road benefits from original period features throughout, sixteen rooms over three floors, steeped in history dating back to 1871. The property sits within approximately an acre of woodland and provides direct access to a bridle path to the rear of the land giving access up to the Worcestershire Beacon and St Anne's Well.

14 Wyche Road is built on rising ground so has a rear door from first floor level. It is set back from the road with steps leading to a gravel pathway which splits providing access to the raised woodland acre and a gravel pathway leading to the front door which leads to:
