10 Sayers Avenue

Location & Description

Situated on the outskirts of the popular Malvern Vale Development, 10 Sayers Avenue enjoys a convenient location within the estate with easy access to the Sainsbury Local store and the play area. Further and more extensive amenities are available in the hillside Victorian town of Great Malvern that offers a range of independent shops, Waitrose supermarket and the renowned theatre complex with concert hall and cinema, all set against the backdrop of the Malvern Hills.

Educational facilities are well catered for with a primary school situated on the development and Dyson Perrins Secondary School close by. Within Great Malvern and in the nearby City of Worcester there are a number of renowned private schools.

Transport communications are excellent with a bus service located close by and also mainline railway stations in both Malvern Link and Great Malvern providing direct links to Worcester, Birmingham, London, Hereford and South Wales. Junction 7 of the M5 motorway is located just outside Worcester bringing The Midlands, South West and South Wales into an easy commute.

A short walk from the property a network of footpaths and bridleways can be accessed leading to open countryside and the Malvern Hills, ideal for the outdoor enthusiast.

Property Description

10 Sayers Avenue is a wonderfully located modern executive detached property situated on the outskirts of this popular and much sought after estate that has convenient access to local amenities, transport networks and excellent schooling.

The property is initially approached over a block paved shared driveway which is owned by number 10 but also gives access to two further properties and leads past an open lawned area that fronts the property and giving access to double wooden vehicular gates accessing a private driveway that allows for ample off road parking and gives access to a detached double garage.

To the southerly aspect of the house is a range of solar voltaic cells providing an annual income of £450 plus any electricity used in the property during the time the panels are providing electricity.

The property also benefits from planning permission to build an extension running off the lounge and the kitchen, to make a larger open plan living area if required.

From the driveway a paved pedestrian path is lit by a beautiful "Narnia" inspired lamp and leads past the lawned foregarden with mature planted beds with shrubs and beautiful climbing roses over the oak framed storm porch with pitched tiled roof and a sensor light point creating a wonderful entrance to this fabulous property.

A composite double glazed door with chrome fittings opens to the substantial accommodation which offers well proportioned rooms set over two floors and all benefitting from double glazing and Hive heating which can be controlled from an App. The total accommodation is in excess of 2000 sq ft with the current owners having taken a lot of care, time and attention in improving and enhancing the accommodation to create the fine living environment that is on offer today. These improvements are extensive and the house has been wired for Cat 6 networking.

The accommodation in more detail comprises;

Reception Hall 4.83m (15ft 7in) x 2.51m (8ft 1in) max

A welcoming space at the hub of this house and from where a wonderful glazed and oak open balustraded staircase leads to the first floor galleried landing with a lovely vaulted ceiling. The current owners have added useful fitted drawers under the stairs ideal for storage and there is a further understairs storage cupboard. A beautiful tiled floor flows throughout this area and there are three ceiling light points as well as a modern vertical radiator. Hive thermostat control point, glazed inset door to kitchen and double doors with glazed insets open to the sitting room, glazed door to dining room. Further door to
