NATURES PLAY GROUND IN EPPING FOREST

Epping Forest is one of the earliest publicly accessible and protected landscapes in England and was entrusted to the City of London as Conservators in 1878, and was dedicated by Queen Victoria 'for the enjoyment of my people forever'.

The historic forest is a wonderful place to visit any time of year. It's London's largest open space at just over 6,000 acres and, as you follow its bridleways and hidden paths, you'll discover swathes of ancient woods, tranquil grasslands, open water and a rich variety of wildlife. With Treeside being a pet friendly* development, there can be no better place for a lovely Sunday walk with your four legged friend or a relaxing summer picnic with family and friends.

There are many activities and events organised annually, including The Big Walk and the Forest Fair where you can escape to a world of enchantment and immerse yourself in a day of exhilarating fun.

No matter what your age, Epping Forest is a magical haven filled with adventure and connecting to nature.

You also pay rent, which is initially capped at a maximum of 2.75% on the part owned by SNG. A service charge is payable per month. The service charge details will be provided during the sales process, but primarily this is the cost the landlord incurs for maintenance and repairs of the communal services communal areas and building insurance.

9 A STEP UP

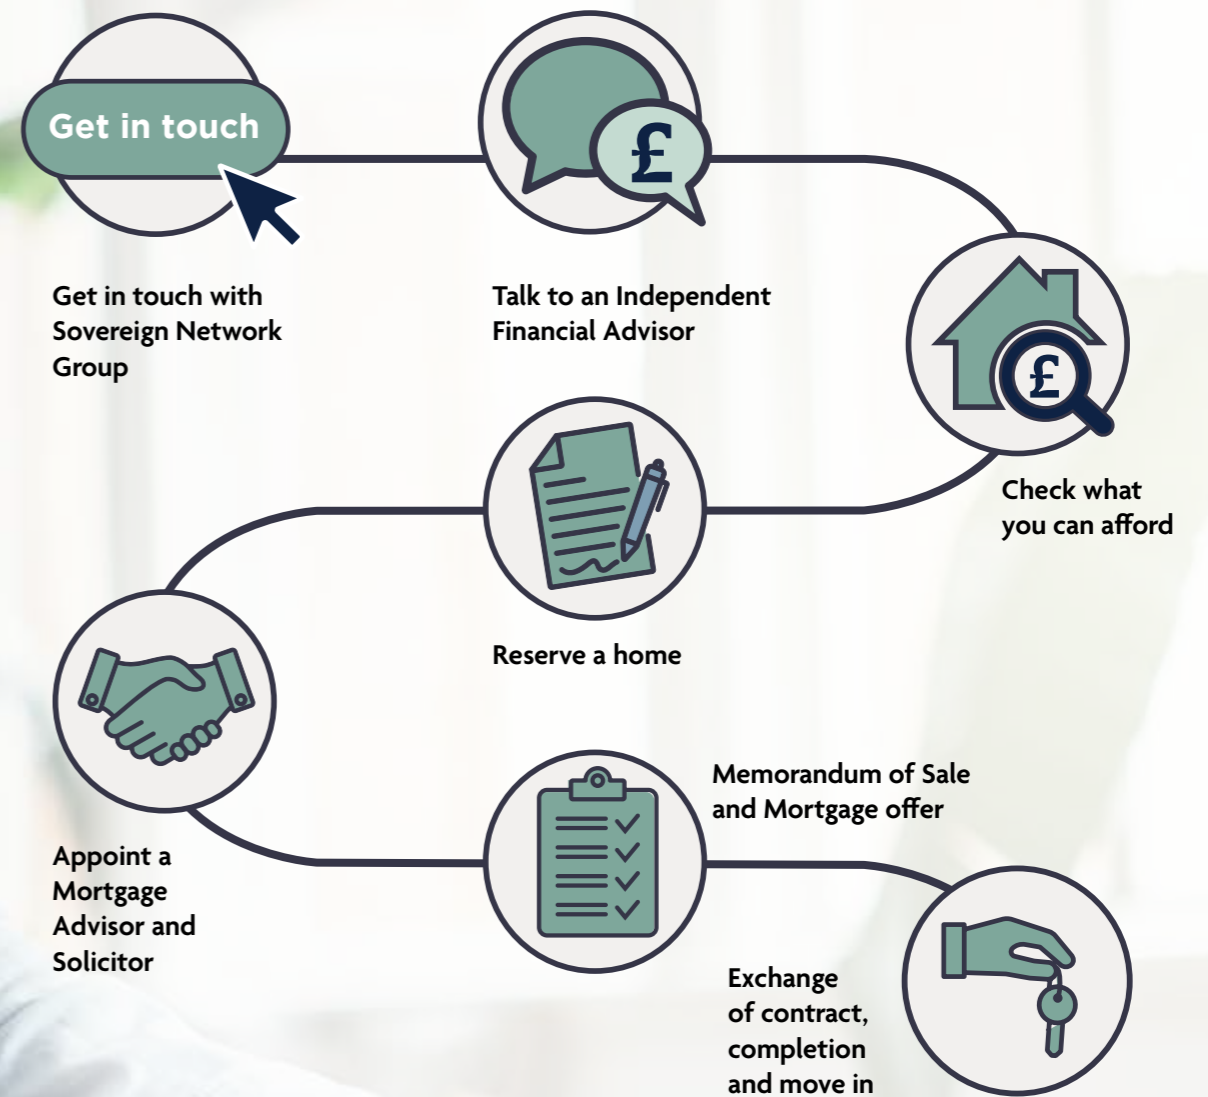

No more sharing the fridge with strangers. With a Shared Ownership home you're in charge and free to decide the style and décor (Please note certain decorating may require approval).

10 A NAME YOU CAN TRUST

We have the experience and expertise to tailor exactly the right Shared Ownership package for you, simply and affordably.

HOW SHARED OWNERSHIP WORKS

The homes at Treeside are available to buy through Shared Ownership and offer a fantastic opportunity for local people to take their first step onto the property ladder. The remainder is owned by SNG and you pay a subsidised rent on this portion in addition to your own mortgage. You will also need to have savings to cover any deposit required by your mortgage lender and the costs involved in moving. There will also be a service charge payable to cover the cost of the communal maintenance and this includes the building insurance.

Shared Ownership is subject to availability and qualifying criteria. Priority will be given to people living or working in the Epping Forest District. Every application is assessed individually. Following the initial purchase, you have the option of increasing your share when you can afford to do so. This is called "staircasing" which means you could eventually own all of the property. The benefit is the more you own, the less rent you pay.
