Location

Masham is a small market town and civil parish in the Harrogate district of North Yorkshire and market days are on a Wednesday, Saturday and Bank Holiday Monday with a Farmers' Market every first Sunday of the month from April to September. An annual Sheep Fair is held in September. The market place, the largest in the district, is tightly bordered on its south and west sides by ranges of two- and three-storey buildings. To the south-east, lies St. Mary's Church with its large yard

Although Masham is a relatively small town it has two working breweries, Black Sheep Brewery and Theakstons, situated only a few hundred yards from one another. The Masham Steam Engine & Fair Organ Rally has held annually, organised by the Masham Town Hall Association; it began in 1965 to raise money for the local town hall.
