Description

A superb three bedroomed end terrace home located in a quiet residential area, located perfectly for access into Northallerton and Bedale with the added plus of Junction 51 of the A1(M) also being close by.

On entering the property into the hallway, a glazed door opens into a cosy sitting room providing a lovely space for evenings or for entertaining. The inner hallway has tiled flooring and a useful understairs cupboard plus a door to the WC, which has a pedestal mounted washbasin and a low level WC. The tiled flooring from the inner hallway continues into the dining kitchen, which has a modern range of shaker style wall and base units with a worksurface over having tiled splashbacks and a one and half bowl drainer sink with a mixer tap. There are built in appliances including an integral fridge freezer, dishwasher, an electric oven with a 4 ring gas hob with tiled splashback and an extractor hood over. The dining area has double glazed French doors with matching side panel windows opening out into the garden, again a lovely space for entertaining or for families to be together.

The landing gives access to all three bedrooms, the bathroom and the loft hatch. The main bedroom is set to the front and is an excellent double with built-in wardrobes and has an ensuite, which has a large step-in shower, low level WC and a pedestal

mounted washbasin. Bedroom 2 is a good sized double bedroom and has double glazed windows overlooking the rear gardens and Bedroom 3 is to the rear overlooking the gardens and is an excellent single bedroom which would also make a great at home study. The house bathroom has a panelled bath with a shower over, a pedestal mounted washbasin and a low level WC.

Outside

To the front there is a block paved driveway providing off street parking continuing to the side leading to a single garage which has an up and over door, light and power points.

The rear garden is south facing and has gated access from the driveway with a raised decked seating area from the dining kitchen, which looks out over a mainly lawned garden with mature planted shrubbery borders and a further paved seating area and all enclosed with a fenced boundary.
