Description

This lovely home is nestled away in a quiet corner of a cul de sac close to the Bedale town centre and with a pleasant outlook over Bedale Beck.

The property opens into a central hallway with space for hanging coats and a useful door into the integral garage. There is a downstairs W.C hidden away under the stairs too. The sitting room has a bay window to the front with an attractive outlook plus a gas fire which provides a cosy feel. The sitting room is open to the dining room which has space for a six person dining table and chairs. There is potential to knock through into the kitchen to create an even larger dining kitchen. The dining kitchen is to the rear with the dining area having room for a 4 person table and chairs linking nicely to the garden via French doors. The kitchen has a range of wall and base units with a worktop over having a matching upstand and a one and a half bowl sink with a draining board. There are spaces for appliances including a tall fridge freezer and dishwasher plus a built in Miele 4 ring gas hob with a stainless steel splashback and an extractor hood over plus a Miele electric oven and grill.

To the first floor the landing has a loft hatch with a drop down ladder to the partially boarded loft and a built in airing cupboard with a light. The main bedroom is an excellent double with an attractive outlook to the front via a bay window and has a dressing area with 2 double wardrobes and space for a chest of drawers. Off the dressing area is another room that was formerly an ensuite which could easily be reinstated with the pipework still in situ and hidden away. Bedroom two is another excellent double to the rear with a lovely outlook over the garden and bedrooms three and four are both smaller doubles, both with same attractive outlook, with bedroom four having a built in wardrobe. The bathroom has a panelled bath with a shower over and tiles

to half height plus a push flush W.C and a circular washbasin set onto a vanity unit.

Outside

To the front is a lovely lawned garden with a mature inset tree, boxed hedge border plus a rose bed with slate chippings and a hedged and fenced boundary. There is a block paved driveway with parking for two cars leading to the integral garage. The garage itself has an up and over door to the front and personal door into the hallway which has a useful motion activated light. There is a range of built in wall and base units with work surfaces over, ideal for use as a workshop, plus a built in single sink with a draining board and spaces under for a washing machine and tumble dryer.

The rear garden is something of a sun trap facing South West and has a paved patio area with a covered pergola, ideal for entertaining accessible via the French doors from the dining kitchen and overlooking an enclosed lawned garden with mature shrub borders having inset trees plus two sheds (one with lighting and power) and there is gated access to the side from the front.
