TITCHWELL

Home to one of the finest RSPB bird reserves in Great Britain, Titchwell is a small coastal hamlet on the A149 coastal road between the two popular villages of Brancaster and Thornham. The Titchwell Marsh Nature Reserve is blessed with diverse habitats such as reedbeds, saltmarsh and fresh water lagoons. There is also a wide sandy beach offering extensive views across the Wash.

The church of St Mary the Virgin is a medieval parish church dating back to the 11th century and is situated next to the marsh on the north Norfolk coast. A beautiful feature of this church is its round tower built with local flints.

A refined elegance permeates every aspect of village life, from the traditional homewares found at Uttings, the locals 'go-to' for household essentials, to sampling tasty treats at the Tuscan Farm Shop, Humble Pie Deli or Gurneys Fish Shop – this is a place to savour the finer things. Eating out is also a joy with award winning Socius serving a British-inspired tapas menu on the edge of Foundry Place, and NoTwenty9's bar, restaurant and courtyard provides a relaxed spot to wine and dine on warm summer's nights.

Between Titchwell and the various surrounding coastal villages, you'll never have to travel far for amenities and you most certainly won't be short on beautiful locations to explore.
