, Ramsgate, CT11 7RD

If you're dreaming of a home that offers modern space, classic charm, and serious garden goals, look no further than this delightful three-bedroom semi on Wilfred Road, Ramsgate.

From the front, the home makes an immediate impression - a smart red-brick facade, double bay windows, and plenty of off-street parking set behind a tidy block-paved driveway. Pull up, step inside, and take the tour.

To the rear of the home lies a bright, thoughtfully renovated open-plan kitchen and dining space - the beating heart of the house. The photo says it all: flooded with natural light from both a skylight and a large rear window, the space feels calm, airy, and contemporary. The clean cabinetry, stone-style countertops, and soft tones create a fresh, timeless look - perfect for everything from morning smoothies to evening wine with friends. And yes, there's a separate utility room tucked off to the side, so you can keep the chaos out of sight.

Just beyond those beautiful bi-fold doors? A garden that will steal your heart. Picture it: a stone pathway winding past flower beds bursting with colour, climbing greenery that softens the fencing, and open lawn space ideal for kids, pets, or sun-lounging. But the real gem? The large garden cabin at the far end. Currently set up as a home office and private gym, this fully kitted-out space offers the flexibility to suit your lifestyle - whether you're remote working, running a business, creating art, or lifting weights.

Inside the main house, you'll find two bright double bedrooms and a generous single upstairs, alongside a neatly presented family bathroom with a bath, sink, and toilet - ready to move straight in.

All of this in a quiet, community-friendly spot just minutes from Ramsgate's town centre, seafront, schools, and transport links.
