Location

The Old Parsonage is set along Hall Road in the centre of Parham, adjoining the grounds of St Mary's Church. Parham lies between Framlingham and Wickham Market. Framlingham is perhaps best known for its historic castle and highly regarded public school, Framlingham College. Framlingham offers a good selection of independent shops and businesses including cafés, restaurants, hairdressers, antique shops, a travel agency and delicatessen. It is also home to the Crown Hotel, Barclays Bank and a Co-operative supermarket. Off the Market Hill are a number of other businesses providing day-to-day services including pubs, vets, a medical centre and schools. Sir Robert Hitcham's Primary School and Thomas Mills High School are both highly regarded. The Heritage Coast is just a short drive away offering picturesque beaches, sailing facilities, stunning forest walks, cycle rides and popular public houses. The world famous Snape Maltings Concert Hall is within easy reach (8½ miles), and there is also bird watching at the RSPB centre at Minsmere (15½ miles). For the commuter, Parham offers good road links via the A12, and a nearby railway station located at Campsea Ashe, near Wickham Market, with regular trains to London Liverpool Street via Ipswich.

Description

The Old Parsonage comprises a Grade II Listed timber frame thatched property, located in an enviable position adjoining St Mary's Churchyard in the centre of the village. According to the Listing Schedule, The Old Parsonage is believed to date from the late 15th or early 16th Century with the single storey kitchen/breakfast room extension probably added at a later stage.

The Old Parsonage requires a complete programme of renovation and refurbishment, both internally and externally, which will breath new life into this impressive historic building. This could potentially include the reconfiguring of the first floor accommodation, in particular the large landing area to include a bathroom/shower room to the bedrooms, subject to the necessary consents. Due to the poor condition of the thatch (see photo taken Summer 2023), which was allowing water ingress, the vendors have covered the roof with a tarpaulin. In August 2023 a quotation for the replacement of the sole plate and render was obtained, a copy of which is available on request.

Outside the gardens and grounds also need taking in hand. These include a useful timber framed garage and lean-to store, together with a small brick built outbuilding. The gardens and grounds contain a number of mature shrubs and trees and extend to approximately 0.39 acres (0.16 ha) in all.

Vendor's Survey

The vendor commissioned a full building survey of the property and a copy is available on request. However, it should be noted that this survey is **for information only** and no liability will be passed from the surveyors, Watsons, to the purchaser.

There is a modest area of garden immediately to the rear of The Old Parsonage, separated from the churchyard via a newly planted hedge line. The remaining gardens and grounds are located to the east, and again are mainly laid to grass, and partly enclosed within established hedging. To the very rear of the garden is a small brick and pantile outbuilding. In all, the gardens and grounds extend to approximately 0.39 acres (0.16 ha).
