## Location

Cinnabar Cottage is situated on Chapel Lane which is a small by-road within walking distance of the centre of the village. Charsfield has a primary school, and first class playing fields with tennis courts and children's playing equipment. The property is located in an excellent position for access to Framlingham (5 miles), Wickham Market (4 miles), Woodbridge (6 miles) and the county town of Ipswich (11 miles). Both Framlingham and Woodbridge are well known for their excellent schools in both the state and private sectors, with Framlingham having Thomas Mills High School and Framlingham College, and Woodbridge being home to Farlingaye High School and Woodbridge School. Woodbridge is located on the banks of the River Deben and offers a wide variety of shops and restaurants. The medieval market town of Framlingham, with its Norman castle, is also home to a good range of local shops and businesses. Ipswich has national stores, as well as trains to London's Liverpool Street, scheduled to take just over the hour.

## Description

Cinnabar Cottage is a semi-detached period dwelling that has been significantly extended in recent decades. The original cottage is of timber, brick and flint construction and is believed to date from the 19th Century. It has the advantage of not being listed, but benefits from period features. The new extensions are of brick and block construction, again with some flint elevations under a tiled roof. The property benefits from an oil fired central heating system and UPVC double glazed windows throughout.

From the side of the cottage a door opens into the glazed hall which leads into the dining room. Off this is a shelved pantry, access to the sitting room and steps leading up to the kitchen. This newer addition to the house has a vaulted ceiling, window, French doors to the exterior and skylight. It is fitted with high and low level units and has space and plumbing for a dishwasher, fridge/freezer and bottled gas stove. In addition, is a wood burning stove. Off the kitchen is a dual aspect utility room with door to the exterior. This is also home to the oil fired boiler and has plumbing for a washing machine and tumble dryer. A door leads to the principal ground floor double bedroom. This has sliding doors opening to the garden and enjoys lovely views. It benefits from a fitted wardrobe and there are doors off to a shower and also a cloakroom with WC.

The sitting room has a stable style door to the exterior as well as windows with undulating views. There is a brick fireplace housing the wood burning stove and stairs to the first floor landing. Off this are two double bedrooms, both with fitted wardrobes and windows. In addition is a bathroom with WC, hand wash basin and bath with shower above.

To the front of the property is a garden with brick paved parking for one or two vehicles. There is access to the rear garden where there is a patio area, lawn and feature pond. This lovely area also has an abundance of trees as well as being home to a raised deck and garden sheds. There is a home office or garden room with veranda to the front.
