Location

Charnwood House is located along Peppers Wash Lane, adjacent to The Mill, just over a mile from the centre of Framlingham and close to Thomas Mills High School, Framlingham College and the doctors surgery. Framlingham is best known locally for its fine medieval castle and St Michael's Church. As well as the senior schools, Framlingham is served by Sir Robert Hitcham's Primary School. The town is highly sought after with an abundance of character, history and charm and benefits from an excellent variety of shops including a Co-op supermarket, public houses and restaurants. The popular coastal town of Aldeburgh and the Snape Maltings Concert Hall, home to the Aldeburgh festival, are all within easy reach, some eleven miles to the east. The A12 which lies just seven miles to the south provides a direct link to Woodbridge, the county town of Ipswich and beyond to London, Cambridge and the Midlands (via the A14). Direct and branch line rail services run to London's Liverpool Street Station via Ipswich from Campsea Ashe which is situated just beyond Wickham Market.

Description

Charnwood House is a Grade II Listed timber framed house with predominantly rendered elevations under a peg tiled roof, which was re-roofed approximately a decade ago. The house dates from the 16th Century. Whilst a very fine property, it is anticipated that a buyer will wish to undertake a general refurbishment/modernisation programme.

One of two porches to the front of the house leads to a lobby where there is a staircase to the first floor, a door to the dining room and further door to the kitchen. This is fitted with a range of high and low level wall units with an Aga, space and plumbing for a dishwasher and fridge freezer, as well as a two bowl stainless steel sink. The room is triple aspect and overlooks the front, rear and side of the property over a pond. A door opens to the utility room where there is a cloakroom with WC. In addition, is a wall mounted gas fired boiler which was fitted in 2022, a water softener, butler sink and space and plumbing for a washing machine.

The spacious dining room has exposed timbers and a brick fireplace. There are windows to the front and rear and a door opening to a rear patio. A large opening leads into the sitting room. This has tall ceilings, exposed beams and an inglenook fireplace with a wood burning stove. Again, there are windows to the front and rear, access to a shelved store, to the front porch and to an inner hallway. Here there is a door to the exterior, the principal staircase to the first floor landing and a door to the drawing room. The drawing room has sliding doors opening up to a patio as well as a bay window and large alcove with windows overlooking the garden. In addition is an inglenook fireplace with bressummer beam above.

The principal staircase leads to the first of two landings where there are windows overlooking the garden. Here there is also a staircase to the second floor bedrooms and doors to the shower room and bedrooms one and two. Bedroom one is a large, triple aspect double bedroom with views over the gardens. It has a walk in wardrobe with fitted shelving and hanging rail. The shower room has a shower cubicle, WC, bidet and hand wash basin. Bedroom two is dual aspect and has views to the front and rear. A door opens to a bathroom. From here there is access to a secondary landing where there is a window to the front, stairs to the ground floor, a built-in airing cupboard and access to the third first floor double bedroom.

On the second floor there are storage cupboards, a cloakroom with WC and hand wash basin, and access to two bedrooms, both of which have gable end windows and further windows to the front of the property, along with built-in wardrobes.

Outside

The property is approached off Peppers Wash Lane onto a tarmac drive which is flanked on one side by the Mill and the other side by garden. The drive leads to an extensive parking area. Adjacent to this are substantial buildings including a timber frame Suffolk barn. Adjoining the main barn are further barns divided into sections that measure 17'6 x 16'5, 18'2 x 16'5 and a first floor store measuring 17'10 x 14'. In addition, are a range of four cartlodges/garages.

The gardens surround the house and whilst predominantly laid to lawn, contain an abundance of attractive mature trees, shrubs and beds. To the east of the house is a large patio area and to the north, a substantial

pond. Beyond the more formal gardens is an open-fronted pole barn that in total measures approximately 35' x 40'. This has a concrete base. Beyond this is a further area of grass. In total, the grounds extend to approximately 2.5 acres.

Site Plan

Charnwood House, Framlingham

Approximate Gross Internal Area = 328.8 sq m / 3539 sq ft

Ground Floor

First Floor

Second Floor

Viewing Strictly by appointment with the agent.

Services Mains water and electricity. Propane gas fired central heating. Private drainage system (whilst it is believed that the septic tank works in a satisfactory manner, it is unlikely to comply with the modern regulations and a buyer will wish to budget to install a new sewage treatment plant. This cost has been taken into account within the guide price).
