Location

The property forms part of the popular and established Viking Heights area, that is located just off School Lane in the centre of the well regarded village of Old Martlesham. The village is well located for both Martlesham Heath and the historic market town of Woodbridge, and benefits from two public houses, the recently refurbished nearby Red Lion Public House and the Black Tiles, a pretty church, playing field, bowls club, a post office, primary school and a garage. The village is also in close proximity to Martlesham Creek, with a wider footpath network that links with the River Deben and onto Woodbridge and the coastal village of Waldringfield.

A short distance to the south-west is Martlesham Heath which offers a good choice of shopping facilities, including a Tesco Extra, Marks & Spencer's food hall and Next outlet. The historic market town of Woodbridge, which is based on the banks of the River Deben, offers a further choice of shopping and recreational facilities, as well as schooling in the state and private sectors. Woodbridge also benefits from rail links to Ipswich, where journey times to London's Liverpool Street station take just over the hour. The Heritage Coast, with popular destinations such as Aldeburgh, Thorpeness and Southwold, is just half an hour's drive.

Description

Built during the late 1970s, 12 Viking Heights is a well presented four bedroom family home that forms part of a popular and established residential area in the well regarded village of Old Martlesham.

The accommodation is extremely light, with all of the rooms enjoying large window openings. In all the accommodation extends to approximately 1,355 sq. ft (126 sqm) and comprises an entrance lobby, entrance hall, 20' sitting room with working (tbc) fireplace, 12' dining room/playroom, 14' kitchen and cloak/shower room on the ground floor. On the first floor there is a generous landing area together with four bedrooms and a family bathroom with separate shower enclosure.

Outside there is a large block paved driveway that is sufficiently large enough for the parking of three to four vehicles, together with a garage that is attached to the side of the property. There are also established gardens to the front and rear, with a westerly aspect at the rear that enjoys the sun into the evening.
