Location

Hazelwood will be found a short distance to the north-east of the centre of the village, and set along Chapel Road. Otley has an excellent community spirit and benefits from a shop/post office, primary school, medical centre, village hall, All Saints' Church and popular public house, The White Hart. Otley is approximately 8 miles north of the county town of Ipswich and a similar distance from the historic market town of Woodbridge, on the banks of the River Deben. It is also ideally situated for access to all parts of the county. The A14 at Stowmarket is within 10 miles. The A12, which bypasses Woodbridge, provides access to Felixstowe and London. The Heritage Coast is approximately 20 miles. There are direct rail services to London's Liverpool Street station from Ipswich and Stowmarket.

Description

Hazelwood Cottage is a spacious, principal village house with accommodation extending to over 2,700 sq ft (257 sqm). Believed to originally date from the 1800s, the property comprises a traditional, formal entrance hall from which the charming drawing room and more comfortable sitting room can be accessed. In addition there is the original dining room, off which the garden room has been added, creating an excellent reception area, as well as the kitchen, utility room and extremely practical boot room with cloakroom.

On the first floor there is a principal bedroom with en-suite bathroom, four further double bedrooms and the family bathroom.

Outside established gardens and grounds immediately surround Hazelwood Cottage together with a range of useful outbuildings. There is also a generous shingled driveway, which links well with the double cartlodge and stable block. To the west of the driveway are the former paddocks, which extends to nearly 2 acres in all and have recently been taken back in hand.

Whilst Hazelwood Cottage is perfectly serviceable, it does now warrant a programme of renovation and refurbishment throughout, as well as possibly reconfiguring the ground floor accommodation as required - and subject to the necessary consents. However this provides a wonderful opportunity for an incoming purchaser to place their own particular style and design upon Hazelwood Cottage.

Vendor's Survey

The vendors have commissioned a full building survey of the property for the benefit of interested parties. An electronic copy of the survey is available from Clarke and Simpson on request. The purchaser will be obliged to reimburse the vendors the cost of the survey on completion (£1,250 + VAT). The surveyors, James Aldridge, will then assign the survey to the new owner along with their duty of care.
