## Location

The property will be found at the end of Fayrefield Road; a no-through road in Melton, that is well located for both the River Deben and Woodbridge. Melton itself is a popular village with a well supported primary school, large playing field with tennis courts and children's play equipment, good pub/restaurant, The Coach and Horses, an independent village shop, small petrol station and Spar convenience store. Woodbridge is probably best known for its outstanding riverside setting. It is also a very popular market town, offering a good choice of schooling in both the state and private sectors, a wide variety of shops and restaurants, a cinema/theatre and marina. Both Melton and Woodbridge also benefit from rail links to Ipswich, where Inter City rail services to London's Liverpool Street station take just over the hour. The popular Heritage Coastline destinations of Orford and Aldeburgh are approximately 10 miles and 15 miles respectively. The County Town of Ipswich is approximately 8 miles to the south-west.

## Description

Built in 1999 by a well regarded local developer, 11 Fayrefield Road is a light and spacious three double bedroom, chalet style house that benefits from delightful, established landscaped gardens of nearly half an acre.

In all the accommodation extends to just over 1,700 sq. ft (160 sqm) and comprises a spacious entrance hall for receiving guests, a 21' open plan sitting/dining room with open fireplace that links well with the garden room, a kitchen/breakfast room, utility room, boot room and cloakroom on the ground floor. On the first floor there is a generous principal bedroom with en-suite bathroom and balcony that overlooks the rear garden and provides glimpses of the estuary and Bromeswell beyond, two further double bedrooms and a family bathroom.

Outside there is a shingle driveway to the front of the property and integral single garage. This provides ample space for the parking and turning of a number of vehicles. Surrounding the property are delightful, mature landscaped gardens that include a wide variety of specimen flowers, shrubs and trees.

Despite the proximity of the railway line, it is a delightfully quiet location, and with the large garden, it offers potential to be extended if required - subject to the necessary consents.
