Halesworth offers railway links to London's Liverpool Street via Ipswich. Diss is 16 miles away from the property and offers railway links to Norwich and London, as well as having Tesco, Morrison and Aldi supermarkets. The historic market town of Framlingham, which has well regarded state and public schools is 10 miles. The heritage coastline of Suffolk with lovely beaches of Southwold and Walberswick is about a 20 minute drive.

Description

The property is believed to have been constructed in the mid-1980s of brick and block construction under a tiled roof. It is in particularly good order and the vendors have recently replaced the kitchen and updated the bathroom. In addition, the UPVC windows were replaced in 2018. There are landscaped gardens to the front and rear and a driveway for several vehicles leading to an attached garage.

A UPVC front door leads into a porch which has doors, flanked on both sides by windows opening to the hallway. This has a hatch to the roof space, an airing cupboard with hot water cylinder and doors to the reception rooms, kitchen, bedrooms and bathrooms. The sitting/dining room is particularly spacious. It has a window to the front of the property and French doors and windows open into the conservatory. In addition is a gas-fired stove. The conservatory is of UPVC construction under a polycarbonate roof and enjoys wall to wall windows overlooking the rear garden. In addition is a door to the exterior. The kitchen was renewed in 2022 and is fitted with a stylish range of high and low-level wall units with a double oven, one of which is a combi microwave oven. In addition is space and plumbing for a washing machine, a water softener, a one and a half bowl stainless steel sink with drainer taps and drinking water tap. There are also four halogen hobs and extractor fan above and an integrated fridge freezer. There is also a double pantry cupboard as well as a breakfast bar. In addition is LED lighting, under unit lighting and plinth lighting. There is a window to the rear overlooking the garden and an exterior door.

The bungalow has three bedrooms. The principal bedroom is a good size double with a window overlooking the rear garden. Bedrooms two and three can be used as doubles with one having a window to the front of the property and one to the rear. The third bedroom also has a built-in wardrobe. All have LVT flooring that was fitted during 2025.

The bathroom was refitted in 2020 and has a bath, WC, handwash basin with drawers and cupboards below, a mirror with lighting and an electric toothbrush charger. It is fully tiled and has a window with obscured glazing. There is a towel radiator and a wall mounted fan heater. Adjacent to this is a shower room which is fully tiled and has a shower, WC, handwash basin with cupboard below, towel radiator and fan heater.

Outside

The property is approached via the small track to the front of the property by a brick paved driveway which provides ample parking for a least four vehicles. This leads to the attached garage which has an up and over door to the front. It measure approximately 16' x 8' and has a window to the side and personnel door to the rear.

The front garden has been landscaped and is laid to grass with mature beds as well as fruit trees and a fruiting hedge. The rear garden can be accessed via either side of the bungalow where there is an open store, a small vegetable patch, patio areas and a main rear garden which is again laid to grass with beds, a greenhouse and a small shed. The rear garden is enclosed by fencing and hedging. In all, the plot extends to approximately 0.17 acres.
