## Location

1 Cherry Tree Cottages is located in the accessible village of Hacheston, which is almost equidistant between the centres of Framlingham and Wickham Market. Both Framlingham and Wickham Market offer good local shopping facilities, as well as primary schools. Framlingham also has secondary schools, Thomas Mills High School and Framlingham College. Hacheston is a hub of activity with its new village hall offering all manner of events and clubs. There is also an excellent farm shop and nursery. The village of Easton is within easy cycling distance and here there is a superb pub, Easton Farm Park, a bowls club and cricket club. The Heritage Coast is within about 10 miles, with the popular centres of Orford, Thorpeness, Aldeburgh, Walberswick and Southwold all being within easy reach. Woodbridge is within about 7 miles, whilst the county town of Ipswich lies about 15 miles to the south-west, offering frequent mainline railway services to London's Liverpool Street.

## Description

1 Cherry Tree Cottage is a Grade II listed timber-framed semi-detached dwelling with rendered elevations under a tiled roof. It is believed to date from the sixteenth century and throughout the property are period features, such as exposed beams and studwork. The vendors have recently improved the property by installing a new gas fired boiler and radiators throughout, added new wood burning stoves in both the kitchen and sitting room and new timber flooring in the sitting room. It is anticipated that some interested parties may wish to further enhance the property with a new bespoke kitchen.

The cottage is ideally located for access to Framlingham, Wickham Market and the A12. It is also very convenient for access to the Heritage Coast. It is anticipated that the property would be of interest to buyers looking for a permanent home, second home, or a holiday let. Outside, there is parking for three vehicles, along with a well maintained, mature garden.

## Outside

The cottage abuts the pavement to the front. The property has a right of way over the neighbouring driveway to the rear, which leads to off road parking for two/three vehicles. A gate from the parking area leads to the garden. This measures approximately 35' x 25' and is fully enclosed by fencing and hedging, which makes it extremely private. There are two patio areas — one abutting the cottage itself and another at the end of the garden which enjoys the south-westerly sun. Much of the garden is laid to lawn, but there are mature borders and pathways.
