Marlow has a busy High Street with variety of shops and restaurants and a railway station with trains, via Maidenhead, to London Paddington which links to the Elizabeth Line. The M4 and M40 are accessible, via the Marlow Bypass, at Maidenhead and High Wycombe respectively. Whilst improved over the years it is fair to say that the apartment would still benefit from some updating here and there but enjoys elegantly proportioned accommodation which comprises:

OUTSIDE

The Heights is approached over a tarmac driveway providing ample allocated and visitor car parking space and access to the **GARAGE** (No.2) being in a block with up and over door, light and power. There is also a Timber Garden Shed. **THE COMMUNAL GROUNDS** amount to approximately **ONE AND A HALF ACRES** and include a wooded copse to the front and there is access to either side of the house to the extensive lawns with trees and shrubs. The garden area immediately to the rear of number 2 measures approximately 23' x 13' (7 x 4m) with flower borders is for the sole use of number 2. The grounds are arranged mainly to the south of the building and there are magnificent views across the Thames Valley.

TENURE. The property is held on a lease of 125 years from 1988. The residents each own a one sixth share of the freehold so no ground rent is payable. In order to maintain the high quality of the building and communal parts, including Buildings Insurance, the maintenance charge is currently £140 pcm..
