Welcome to Grace Green, a mid-terrace brick-built home that has three double bedrooms and overlooks an attractive green space. This modern family home boasts a south-westerly rear garden, a main bedroom with an en-suite and a garage with parking.

The property, built by CG FRY is situated on the popular Chesil Reach development in CHICKERELL, approximately four miles from Weymouth Town Centre. Chesil Reach comprises a mix of highly individual character homes set within carefully planned streetscapes and open spaces.

Chickerell benefits from a range of amenities including an Aldi supermarket, a convenience store, a post office, a chemist, churches and both Primary & Secondary Schools.

On the ground floor, a welcoming entrance hall with useful downstairs cloakroom and under-stairs storage cupboard. The open plan kitchen/dining room has a bright aspect, with pleasant views and double doors that lead to the rear garden helping to merge the boundaries between home and garden. The Living room adjacent enjoys lovely views over the green space in front.

The first floor comprises three double bedrooms, with bedroom one enjoying a shower room ensuite. The family bathroom is finished to a superb finish comprising a bath with shower over, wash hand basin and w.c complimented by decorative tiling.

*Please note the show home is a different style house and should be used as guidance only to give an indication on the style and quality of finish.
