This extended three bedroom bungalow with garage and parking sits within a peaceful cul-de-sac in Broadway. The property enjoys two bathrooms, a low maintenance garden and additional utility with a range of amenities nearby and transport links between Weymouth and Dorchester.

Two parking spaces front the home with one in front of the garage door, a bricked wall borders the property with low maintenance front garden; front door and porch center the home.

Inside, a conservatory sits within the heart of the home - a pleasant space with views over the garden flowing seamlessly into the living room/diner. Generous proportions accentuate the living space with ample room for an array of furnishings. The accommodation bends round with a kitchen to the left and family shower room to the right. To the end of the corridor, Bedroom Three provides a suitable guest space but additionally functions as an office or study. Adjacent, Bedroom Two enjoys direct access to the garden via a door as well as proportions as a double room.

The other side of the home hosts the principle suite - A spacious double room with en-suite bathroom and plentiful storage. Behind, a large utility, accessed via the garden, provides extensive floorspace for laundry facilities as well as storage whilst seamlessly incorporating the garage as a potential workshop.

The courtyard garden is completely private thanks to the property's unique shape with low maintenance patio areas for relaxation. A lean-to style side access provides further sheltered storage.
