

Cottage Farm Bungalow, Newport Road,
North Cave, HU15 2NY
Guide Price £190,000

ABOUT THE PROPERTY

This individual detached true bungalow currently provides three bedroomed accommodation which would benefit from refurbishment. The plot being of timber frame to the front (we believe) also offers masses of potential for extension/redevelopment subject to appropriate planning permissions being obtained.

The property is pleasantly situated on the corner of Breck Lane which is adjacent to Newport Road. The property offers front and side access.

Internally the bungalow is very versatile, currently consisting of all double bedrooms, either of these could be utilised as a additional reception room to suit any families needs. The kitchen being to the rear of the property overlooks the gardens and leans itself to further extension.

The property stands on a great plot of providing wrap around garden with a combination of lawn, shrubbery and mature borders. The gravelled driveway provides excellent parking leading to the detached double car garage.

A very interesting property indeed and viewing is strongly recommended.
