TAKE A LOOK AT THE POTENTIAL - Encouraging cash buyers or proceedable buyers only.

This property, once brimming with potential, now stands as a poignant testament to its former glory. Unfortunately, it has deteriorated beyond repair and is in need of redevelopment. Once lively and full of energy, it now calls for a fresh beginning. With vision and creativity, this parcel of land holds promise for renewal.

Situated in the charming conservation area of Nordham, this plot offers the opportunity to create a stunning family residence. The original property is positioned at the front of the plot, while an outbuilding at the rear presents the potential for conversion into a spacious annex or office space.

A external site visit is recommended to fully appreciate the size and potential of this remarkable plot. Strictly by appointment.
