£120,000

A rare opportunity has arisen to acquire this stunning Nightclub/ Coffee Shop in the centre of the LGBTQ+ area of the city, which is ever popular with its bars, restaurants, retail and residential quarters all within close proximity. The club has become well known as a late night music and party venue due to its 5am weekend licence, but now offers a coffee shop through out the day time, both of which are popular with its loyal customers and visitors to the city from the UK and beyond. The club has recently gone through a refurbishment so would be ready to trade straight away. Viewing is highly recommended to appreciate the size and potential of the unit and can be arranged through our office or by calling 0151 426 0222.
