Situated on the periphery of Chichester, lies this extended semi-detached house.

The property requires internal modernisation but has huge potential and could be extended subject to the necessary consents.

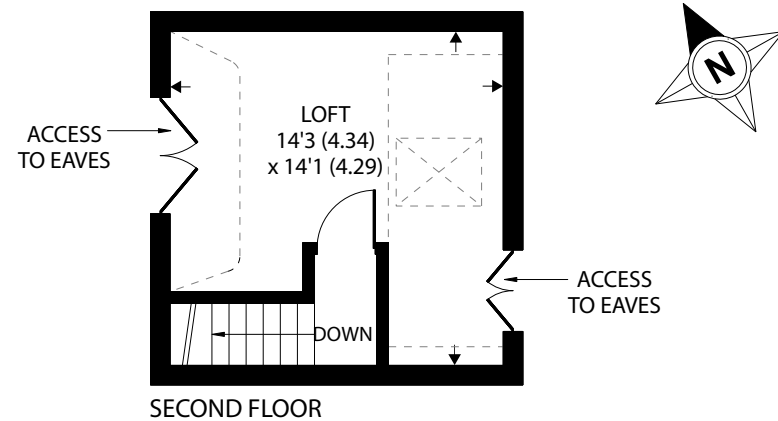

The accommodation offered is arranged over three floors and is particularly versatile. On the ground floor there are three/four reception rooms, a kitchen and a shower room/WC. Two bedrooms and a bathroom/WC can be found on the first floor and a narrow wooden staircase which leads to a loft room with Velux windows and eaves storage.

Gardens can be found to both the front and back, with the rear garden being of a good size. An area of hardstanding is situated at the end of the garden. Vehicular access is also from the rear via Queens Avenue.

Planning permission was granted in 2016 (16/00884/Ful) for a separate two storey two bedroom dwelling to the rear of the property, but this permission has now expired. Please note that our seller has informed us that a £20,000 overage clause (clawback) is to be levied if the development takes place in the future.
