The property's bespoke staircase, with stainless steel handrails and glass balustrades, adds a striking architectural feature while connecting the living spaces. Outside, the beautifully landscaped south-facing garden has been carefully designed for both relaxation and ease of maintenance. Paved seating areas provide multiple spots to enjoy the sun, while well-chosen architectural plants, roses, flowering shrubs and a circular lavender bed add seasonal colour and interest. A power-operated sun awning creates a sheltered outdoor space directly outside the kitchen, perfect for al fresco dining or quiet morning coffees. A paved pathway winds through the garden to a rear gate, which opens directly to the private garage and allocated parking space, offering convenience and security.
