Front of Property

Front garden conveyed to Flat 1 (ground floor flat) and is enclosed by a front wall and screening hedges. Being of a decent depth and accessed via the driveway, the front garden offers potential for additional parking for two / three vehicles.

Dropped pavement allows vehicular access via driveway to the block of garaging towards the end of the plot.

Enclosed Rear Garden

Again, conveyed to Flat 1 (ground floor flat) and an area at the end of the enclosed plot is conveyed to Flat 3 (top floor flat). This enclosed garden is laid to lawn with fenced boundaries and gate giving access from the driveway by foot.

Block of Four Garages

Having up-and-over doors, Flat 1 has the benefit of two garages conveyed. Flats 2 & 3 have one garage conveyed.

Garden to Rear of Block of Garages

Conveyed to Flat 2 (first floor flat) is in itself a generous sized garden plot. Foliage currently being removed and having a large wood decking area. An array of mature and established trees, bushes and shrubs.
