Outside:

The property is approached over a bricked driveway which gives access to the five properties in this small and exclusive cluster of homes. The bricked driveway then turns into the properties private parking area which circles around a grass section with a mature cherry tree and provides excellent parking. There is then a second grassed area on the opposite side of the drive and a low laurel hedge to the lane boundary. There is gated access to either side of the property which leads into the attractive rear garden which is level, has high board fencing to both side and rear elevations aiding privacy and does back onto a field. Right across the rear of the house there is a part flagstone, part paved patio, ideal for summer dining/barbeques. There is a useful timber built dog run, low fencing then leads to a productive vegetable section with raised beds, Rhubarb and some soft fruits and a good sized garden shed. Around the outside of the garden there are some well established flowering borders and a mature apple tree.
