Located towards the top of Farm Road, this smart chalet-style semi-detached villa offers a great opportunity for couples and young families alike. Built by Wimpey Homes, the property has been thoughtfully maintained and tastefully upgraded, including a sleek kitchen makeover and a stunning bathroom renovation.

Inside, the home has a modern and inviting feel, with a bright open-plan layout at ground level that enhances both space and flow. The lounge, now opened up to incorporate the former hallway, features an attractive open staircase and seamlessly connects with the dining area to the rear, where patio doors offer direct access to the garden. The kitchen, updated with high-gloss units and walnut-effect worktops, is well-appointed with integrated appliances and dual-aspect windows for maximum natural light.

Upstairs, the three bedrooms include two doubles and a comfortable single. The recently renewed bathroom is a real highlight, finished with marble-style tiling and contemporary black brassware. An insulated, part-boarded attic adds to the practicality of the upper level.

The property sits on a generous plot, with level front gardens and a beautifully landscaped, enclosed rear garden, arranged over two terraces. A long monobloc driveway provides off-street parking for multiple vehicles and leads to a detached single garage.

Farm Road is popular, being highly accessible to the amenities of Duntocher and Hardgate. Families will appreciate nearby Carleith Primary and Clydebank High School, as well as a local park and the Antonine Sports Centre, all within easy walking distance.

A stylish and easy-to-live-in home, in a scenic spot, with space, comfort, and convenience in equal measure.
