ACCOMMODATION

Broomhill Cottage has retained its original character features whilst also benefiting from the upgrades made by the current owner. The entrance leads to a sitting room with dual aspects, a window seat offering front views, a central fireplace with a gas coal-effect stove, and an overhead oak beam. There's also a substantial under-stairs storage cupboard and stairs to the first floor. The dining room, another sizable room, features a front window seat, a charming arched window with a side view of the gardens, and a built-in storage cupboard. The kitchen has a stained glass window to the front, a side window overlooking the garden, and includes matching wood-fronted units, a work surface with a ceramic sink unit, space for a cooker with an extractor hood, and tiled flooring. The utility room provides space for a dishwasher and washing machine, with additional storage and workspace. The cloakroom, accessed through a door, includes a WC, wash basin in a vanity unit, storage cupboard, wall-mounted heated towel rail, and a Baxi boiler.

The first-floor landing leads to the loft space. Bedroom 1 is a spacious double bedroom with front and rear aspects and an exposed A-frame. The bathroom features a white suite with a bath, electric shower, wash basin in a vanity unit, WC, and a wall-mounted towel rail. Bedroom 2 is another sizable double bedroom with dual aspects, built-in wardrobes, bedside cabinets, and an exposed A-frame. Although now expired, planning permission had been granted for a 3rd bedroom and could (subject to consent) be reinstated.

OUTSIDE

Facing Patches Road, the property has a stone-bordered garden with steps to the front door. A shared drive leads to Broomhill Cottage's garage and a covered carport with a shed. The path from the garages goes to the main gardens with a covered veranda and gated access. The veranda serves as an 'outside Kitchen.' A gravel path leads to a home office.
