Description

Quarrenden is a unique architecturally designed detached property with generous gardens filled with beautiful trees and boarded by a tranquil stream. The property enjoys spacious and flexible accommodation with 3/4 bedrooms that now requires some updating. The property benefits from a garage and parking for ample cars.

Accommodation

Through the front door, steps lead up to a spacious and bright reception and dining area with two sets of double sliding doors which lead out on to an elevated terrace area that wraps around the house and has lovely views of the gardens. Round the corner from the Reception and Dining room is a well equipped kitchen with cabinets, space for a large fridge freezer, washing machine and cooker and a back door leading out on to the gardens. The kitchen also benefits from a large horizontal window resulting in pleasant views out onto the gardens. Also on this floor is a useful WC and separate shower room and study, ideal for a home office or additional bedroom

On the lower ground floor there are three good sized double bedrooms. Bedroom three has half a partition wall with two doorways into the room either side of the partition wall and therefore could be easily be converted back into two separate bedrooms. Both bedroom one and three benefit from sliding door windows leading out onto the gardens. All the accommodation and layout of the house is very flexible and adaptable to suit whatever is required whether it is additional bedrooms or reception space.

Outside

The gardens are mainly laid to lawn with extensive array of trees, and there is a summer house, 3 greenhouses and a 20ft shed with power and a tranquil pond/water garden. A tarmac driveway provides ample parking along with a separate garage. There is a picturesque stream that borders the gardens.
