## ACCOMMODATION

The New Barn has undergone a thoughtful transformation, designed with modern, open-plan living in mind.

A tastefully designed porch leads to an entrance hall reminiscent of a boot room, featuring an additional utility room complete with a shower, WC, and ample space for laundry appliances. Setting the stage for the rest of the home, the impressive kitchen and adjoining dining area exude elegance. Adorned with classic light grey cabinets, a sturdy oak countertop, integrated appliances, and charming lighting fixtures complemented by an exposed original brick wall, this space is as functional as it is inviting. The dining area seamlessly flows into the magnificent living room, boasting tiled flooring, a rustic wood burner accompanied by a charming wood storage area, and an original stone barn wall. Large sliding doors open to the patio and garden, providing an ideal setting for summer gatherings. Furthermore, underfloor heating ensures comfort throughout the ground floor.

Upstairs, three bedrooms and a family bathroom await. The master bedroom, featuring double-height ceilings and original wooden beams, offers a private retreat with patio doors leading to a balcony and an ensuite shower room boasting a spacious shower area. Completing the upper level, a convenient mezzanine area, accessed via a secure ladder, currently serves as a home office space above the other two bedrooms.

## OUTSIDE

To the front of the property, there is a large patio and more formal garden, accessed via the living room. This gives way to a larger lawned area that leads to the glorious swimming pool with a beautiful stone patio with space for garden furniture, bbq's and seating for dining. The perfect location for enjoying sunshine for the majority of the day and ideal for children to play. Beyond the garden, there is a generous parking area for four cars with electric gates and a storage shed as well as an agricultural field that could be used for a variety of purposes.
