SITUATION

Silverton is a highly favoured Exe Valley village, roughly equidistant of Exeter and Tiverton, with an active community and an excellent range of amenities, including primary school, local village shop with Post Office, Doctor's Surgery, two pubs, three churches and village hall. Surrounding the village is beautiful, unspoilt countryside sitting in the Local Silverton Conservation Area with the River Exe to the west, providing superb local rural walks.

Exeter, to the south, has all the amenities associated with a major regional centre, including an airport with national and international flights. Cridton, to the south west, has a range of facilities, whilst to the north, the market town of Tiverton includes Blundell's School. Although rural, this part of Devon is very accessible with the nearest access to the M5 motorway being junction 28 from Cullompton approximately 7 miles distant. There are mainline railway stations at Exeter and Tiverton Parkway.
