SITUATION

The property sits in a highly desirable location, in a level plot bordered by well established natural hedge boundaries. The property lies on the edge of Coronation Park in Launceston, a popular recreational area for families and dog walkers, along with Launceston Community Leisure Centre offering a range of leisure facilities including a swimming pool, gym and sports/fitness classes. Opposite the property is the Launceston Secondary School up to A-Level standard, with the town of Launceston approximately 0.7 miles away with a relatively level walk into the town. Launceston offers numerous shops, sporting and social clubs along with two 18-hole golf courses. There are doctors', dentists' and veterinary surgeries, supermarkets and an M&S Food Hall. There is access to the A30 trunk road, which links the Cathedral cities of Truro and Exeter where at Exeter, there is access to the M5 network, main line railway station serving London Paddington and an international airport.

DESCRIPTION

A unique and individually designed dormer bungalow believed to be originally constructed in the 1930's and extended overtime, with block and brick materials and uPCV double glazed windows. The property offers level living with the potential to extend further and/or incorporate the garage, subject to any necessary planning consent. The property has well established and private gardens with ample off road parking.

ACCOMMODATION

From the front entrance, a step up into the bungalow via a covered porch offers both double bedrooms either side with windows to the front. The kitchen/breakfast room has been extended by the current family to the rear, to create extra space for kitchen units and a central space for a table and chairs. The kitchen has a window overlooking the side, with far reaching views in the distance. Integrated appliances include a gas hob and oven (installed in 2021), sink, an undercounter fridge and further space and plumbing to the opposite end for white goods. A narrow staircase from the kitchen leads to bedroom 3, with access to loft storage.

The sitting room enjoys a view through large windows to the rear garden and is connected to the kitchen via a rear porch/sun room and further double doors connect the gardens to the house. The main shower room off the entrance hall has a fully tiled shower cubicle, whilst an additional shower room and WC off the sitting room suggests the garage could be incorporated into the house (subject to planning, STP).

OUTSIDE

There is gated access into the property with well established hedge boundaries to all four sides. Positioned within a generous, level plot, there is a gravelled area for parking 2 cars and ample space in the double garage. There is a front lawn with potential to create additional parking if desired, subject to gaining any necessary consents. The rear garden can be accessed via either side of the property, with pathways leading to the enclosed level lawn. Well stocked with mature shrubs, trees and flowerbeds, the gardens are enclosed and private, catching the mid/late afternoon sun. There are two useful outbuildings, perfect for storage or as garden tool/workshop space. The garage can be accessed via the front or rear which has power and light connected. A wooden staircase leads to a top floor storage area, boarded and perfect for storage or as a games room. Windows either end of this also suggest a range of further uses, STP.
