SITUATION

An exciting development opportunity set within a popular rural position. The thriving market town of Holsworthy is 1.4 miles away with its Waitrose supermarket, doctors, dentists and veterinary surgery together with places of worship. A comprehensive range of shopping facilities can be found at the coastal resort of Bude on the North Cornish coast which is some 10 miles distant. At Bude there is a choice of sandy beaches and some magnificent walks along the cliffs or historic Bude canal. There are educational facilities up to 'A' level standard and a variety of shops and supermarkets.

The former market town of Launceston, known as the 'Gateway to Cornwall' is some 14 miles to the south with access to the vital A30 trunk road which links the cathedral cities of Exeter and Truro. At Exeter there is an international airport, mainline railway station serving London Paddington and access to the M5 motorway.

DESCRIPTION

A site with planning permission to convert two barns into a dwelling and a detached holiday cottage.

Further information on the planning with Torridge district council can be obtained using planning references:

1/0045/2022/FUL and
1/0046/2022/FUL.

We understand from the current owners that private drainage installation and works to the footings of the holiday cottage have been carried to keep the planning live.

Once converted (as per the plans), the property would offer an impressive single storey 4 bedroom detached barn

conversion with an impressive open plan kitchen/living space, further sitting room, office and family bathroom. The property would benefit from a detached single storey 2 bedroom holiday cottage with an open plan kitchen/living space and a bathroom.
