SITUATION

Situated in one of Newton Abbot's most sought-after locations less than half a mile from Decoy Country Park, this Victorian semi-detached villa offers excellent access to local amenities. The town provides a variety of shops, eateries, and leisure facilities, as well as a choice of primary and secondary schools. Newton Abbot benefits from strong transport links to Torbay, Exeter, and Plymouth, with a mainline railway station offering further connections. The property is well-placed for those seeking convenience, with both urban and countryside attractions within easy reach.

DESCRIPTION

This well-proportioned three/four-bedroom Victorian villa provides generous living space and retains many original features. The accommodation is flexible, with scope for further adaptation to suit individual needs set within a property offering attractive period features. Available with no onward chain, this is an excellent opportunity to acquire a spacious home in a desirable location, ideal for families or those looking for multi-generational living.

ACCOMMODATION

The ground floor features a spacious open-plan kitchen/dining room, recently modernised to provide a functional and attractive space for everyday living. The layout allows for easy interaction between the kitchen and dining areas, making it well-suited for entertaining. Adjacent to this is a large living room, a comfortable and inviting space perfect for relaxation.

A particularly notable feature of the ground floor is the additional bedroom, which offers significant flexibility. This room could serve as an independent annexe for a relative or guest accommodation, benefiting from its position within the home. Alternatively, it presents an excellent opportunity for a home office, playroom, or hobby space. Its versatility enhances the property's appeal for buyers with differing lifestyle needs, whether for professional use or accommodating extended family members.

Upstairs, there are three further bedrooms, two of which are well-sized doubles, providing comfortable living space for a growing family. The third upstairs bedroom is a box room and the first floor is completed by a well-appointed family bathroom comprising a shower over bath, wash basin and WC.

OUTSIDE

The property is approached via a long gravel driveway leading to a detached garage, providing ample parking. The gardens are well-maintained and offer a private outdoor space suitable for a range of uses. The extensive garden is an attractive feature, with mature planting and generous lawned areas. It benefits from a sunny South-West aspect and there is scope to further enhance the outdoor space with additional landscaping, or for those with an interest in gardening, the opportunity to cultivate a beautiful retreat.

All mains services connected, oil fired central heating. Ofcom advises that ultrafast broadband and mobile coverage via all major providers are available to the property.
