## SITUATION

Stoke Gabriel is a popular and sought after village which lies in an Area of Outstanding Natural Beauty at the head of a creek on the River Dart about four miles south-east of Totnes. The older part of the village is in a conservation area near the River and Mill Pool and much of the area is a Coastal Preservation Area. The village has good facilities including a church, primary school, pre-school [2 to 5 yrs], village hall, post office, general stores and two public houses.

Buyers see Stoke Gabriel as a lifestyle choice both because of the amenities that it offers and its thriving strong family social life and community spirit, with boating, canoeing and river trips on the River Dart on your doorstep. The village boating association also provides RYA sailing training for children and a year round calendar of boating events.

## DESCRIPTION

Hillside is a well appointed detached home, offering well flowing accommodation in excess of 2000 sq ft. The wide driveway to the front provides ample off road parking, which is a rarity in Stoke Gabriel. The house also benefits from southerly views over the village and towards the Mill Pond. The large gardens which are located to the rear of the property provide even better southerly views.

## ACCOMMODATION

The property is accessed from the large private area of parking to the front of the property. A flight of steps leads to the front entrance door, opening up into a recently panelled entrance hall. From the hall, a door leads into the large sitting room with a built in gas fire. The superb open plan kitchen/dining room has a well fitted built in kitchen with a central island. There is a door to a useful study with a separate wc. The kitchen provides access to the garden room with a door to the utility room and to the rear of the property up some steps.

From the spacious panelled entrance hall, stairs rise to the first floor where there are currently 4 bedrooms. However the existing dressing room which is now accessed from Bedroom 1, was once a 5th bedroom and could easily be reconfigured. From the dressing room (potential 5th bedroom) there is a shower room. At the end of the landing is a family bathroom with a bath and a separate walk in shower.

## OUTSIDE

The property benefits from a wide private drive, running the length of the property, providing off road parking for several vehicles. The cobbled area is an attractive addition with planted shrubs either side. To the eastern side of the drive is a single garage.

To the rear of the property is the beautiful well kept garden. A path from the front leads around to the garden which can also be accessed from the ground floor and first floor of the house. The garden features an attractive stone wall and has been well designed to feature a large area of lawn with various mature planting, a green house, a summer house and a useful garden shed. At the top of the garden is a paved area which enjoys far reaching southerly views across the village and to the River Dart.
