

| Energy Efficiency Rating                    |  | Current                 | Potential |
|---------------------------------------------|--|-------------------------|-----------|
| Very energy efficient - lower running costs |  |                         |           |
| (92 plus) <b>A</b>                          |  |                         |           |
| (81-91) <b>B</b>                            |  |                         |           |
| (69-80) <b>C</b>                            |  | 81                      | 8         |
| (55-68) <b>D</b>                            |  |                         |           |
| (39-54) <b>E</b>                            |  |                         |           |
| (21-38) <b>F</b>                            |  |                         |           |
| (1-20) <b>G</b>                             |  |                         |           |
| Not energy efficient - higher running costs |  |                         |           |
| England & Wales                             |  | EU Directive 2002/91/EC |           |

| Environmental Impact (CO <sub>2</sub> ) Rating                  |  | Current                 | Potential |
|-----------------------------------------------------------------|--|-------------------------|-----------|
| Very environmentally friendly - lower CO <sub>2</sub> emissions |  |                         |           |
| (02 plus) A                                                     |  |                         |           |
| (01-01) B                                                       |  |                         |           |
| (00-00) C                                                       |  |                         |           |
| (05-08) D                                                       |  |                         |           |
| (09-54) E                                                       |  |                         |           |
| (21-38) F                                                       |  |                         |           |
| (1-20) G                                                        |  |                         |           |
| Not environmentally friendly - higher CO <sub>2</sub> emissions |  |                         |           |
| England & Wales                                                 |  | EU Directive 2002/91/EC |           |
