General Remarks

Bowen are favoured with instructions to offer this Grade II Listed spacious three storey property for sale by private treaty. Occupying a prime location in the popular market Town of Ellesmere. Retail Shop Unit presently operating as a signist design business with spacious four bedroom living accommodation above; rear one bedroom annexe, all with separate entrances. Enclosed courtyard and off-road parking for several vehicles. Versatility is the property's main strength. New purchase owners could however live above the shop and retain an income-stream from below; or they could work from home and run a business. Alternatively, income could be achieved from letting the whole of the property including the living accommodation separately. An internal inspection is recommended to fully appreciate the size and potential of the property.

Location: The property enjoys a prime location just off the town centre. Ellesmere is an established tourist and market town with an excellent range of shops, schools and other amenities and also renowned for its meres and waterways. Easy access to the A5/A483 providing direct routes to the towns of Oswestry, Shrewsbury, Telford, Wrexham and the City of Chester. The nearby train station at Gobowen provides links to Manchester and Birmingham.
