FULL DESCRIPTION

Built in 1926, this uniquely designed 4 bedroom detached house is situated on prestigious Piercing Hill and is positioned at the front of a substantial garden. This characterful house retains a wealth of original features and has been enhanced over the years by sympathetic extension and alteration that has created a versatile and delightful family home that is deceptively spacious. The 4 bedrooms are nicely balanced by 4 reception spaces including a 20' Kitchen Diner that overlooks the beautiful, sunny east-facing garden which extends to approximately 140ft/42m in length and includes a detached Garage and driveway accessible from the rear and complementing the ample driveway parking at the front of the property.

Piercing Hill is, without a doubt, one of the area's most highly-sought locations hosting a number of substantial period homes and well-located for the centre of the village, its lovely green, local shops, the village school and the Central Line station. The house stands directly opposite Epping Forest which offers wonderful walking and cycling routes. Viewing highly recommended.
