Conveniently located just 2 minutes walk from Newquay Town Centre, Ocean Views was built in 2013 on the elevated position of Mount Wise. Newquay Town has recently had an influx of independent Cafes, Coffee Shops and Bars that has made the town an even more popular holiday destination with a unique multicultural and inclusive feel. This, coupled with improved transport links via the A30 and Newquay Airport has really made it one of the top tourist destinations in Cornwall. As a result, as well as the flexible modern nature of working, has also led to an increased number of families moving to the area to enjoy the natural beauty of the coastline on the doorstep.

Internally, the property has been well-maintained. The entrance hallway provides access to all of the rooms, with the open plan living area leading out to the private balcony with elevated views over Newquay town and out to sea. There are 2 bedrooms with the master having an en-suite shower room and a separate bathroom. There is an allocated parking space in a secure gated car park and use of a private lock-up store.

To the front of the building is a gated entrance to some allocated parking, further electric gates provide access to the Ground Floor parking. The apartment can be accessed through the front communal door or the First Floor side entrance with lift access to all floors.

TENURE
