As you walk into the kitchen / dining / family room, you will see that this is most definitely the heart of the home! The attention to detail continues with the bespoke handcrafted units painted in a gorgeous blue, complemented by the white Quartz worktops and gold finishings. As one would expect from a property of this calibre, integrated appliances include Fisher & Paykel American style fridge / freezer, SMEG Rangemaster cooker and glass fronted wine chiller. To the side of the kitchen is the family space, again bathed in light from the bi-fold doors that lead directly to the generous patio.

Adjacent to the kitchen lies the impressive boot room / utility, ideal for those wishing to hide those muddy boots and coats after enjoying long walks in the surrounding countryside. There is ample storage here, again with handcrafted cabinetry and space for appliances and a Belfast sink.

The sitting room is a haven. The colour, a peaceful calming shade of green with the central focus point being the fireplace with oak mantle over and a wood burning stove, ideal for those cosy nights in by the fire.

To the first floor, you will find three bedrooms, all well appointed, yet the pièce de résistance is the master bedroom with its fabulous dressing room measuring in excess of 20' in length, replete with handcrafted bespoke storage cupboards and dressing table. Adjacent is the stylish master en-suite with 'his' and 'hers' vanity sink unit, modern style slipper bath and separate rainfall shower encased by glass.

To the front of the property, a resin driveway sweeps round to an ample parking and turning area. A pathway curves around to the side of the property lined with spiral topiary and manicured lawns to the side gate, giving access to the landscaped rear gardens. Here, you will find the perfect outdoor entertaining space. A terrace runs along the full length of the house and to one end, there is a built-in barbecue with ample space for a large table and chairs. The landscaped gardens make the most of the setting with a pergola style walk-way leading to a further raised terrace which has enough space for a hot tub from which to catch the most of the summer sun. Also on the raised terrace is the summer house with its own cloakroom and kitchen area.
