Lydbrook is known for its scenic location along the River Wye and its proximity to the beautiful Wye Valley. The village is surrounded by picturesque woodlands, offering ample opportunities for outdoor activities such as walking, hiking, and exploring nature trails. The location of Lydbrook provides easy access to nearby attractions such as Symonds Yat, a popular spot for outdoor enthusiasts, and the Forest of Dean, which offers a host of activities and attractions, including the Sculpture Trail and Puzzlewood.

Historically, Lydbrook was a hub of industry, particularly in the iron and coal mining sectors. While the industrial era has passed, remnants of its industrial heritage can still be seen in the area. The village has a rich history, and there are local landmarks and buildings that reflect its past.

Lydbrook offers a range of amenities to cater to the needs of its residents. These include a village shop, a primary school, a community centre, and a pub.
