THE GROUNDS

Such a unique opportunity here. It is very rare that you benefit from so much in a modern property on a development such as this.

The property is located in a private cul-de-sac of just four homes and is set tucked away at the far end. Over the fence your Garden boundary is woodland and is a haven for all kinds of wildlife and if you like peace and tranquility, then this is perfect for you.

Your rear Garden features tall conifers adding to the privacy, is mainly laid to lawn and there's a large patio, perfect for sitting out on those long summer nights, a barbecue or even a spot of alfresco dining. To the side, there's a large expanse of Garden with a huge timber workshop complete with power and light. Planning permission has been previously granted to substantially extend to the side and though now lapsed, there is potential to re-apply.

The front garden is also very private with clever use of hedges to create a wonderful space to enjoy and there's also parking for several vehicles on the two driveways or if you own a caravan or boat, safe storage is available here.

THE LAKE

What modern property includes a duck pond within the sale... This one does. This beautiful lake is surrounded by mature trees and shrubs, is well maintained and is a wonderful feature to enjoy. Your lake is a sanctuary for and an abundance of birds, bees and wildlife. The lake is fenced off and a locked gate is only available for the owners.
