## PARKING

1 bedroom apartments are provided with 1 parking space. 2 bedroom apartments are provided with 2 parking spaces. Additional spaces can be requested but are subject to availability.

## TENURE

There has been much in the media of late relating to Leasehold properties and escalating Ground Rents.

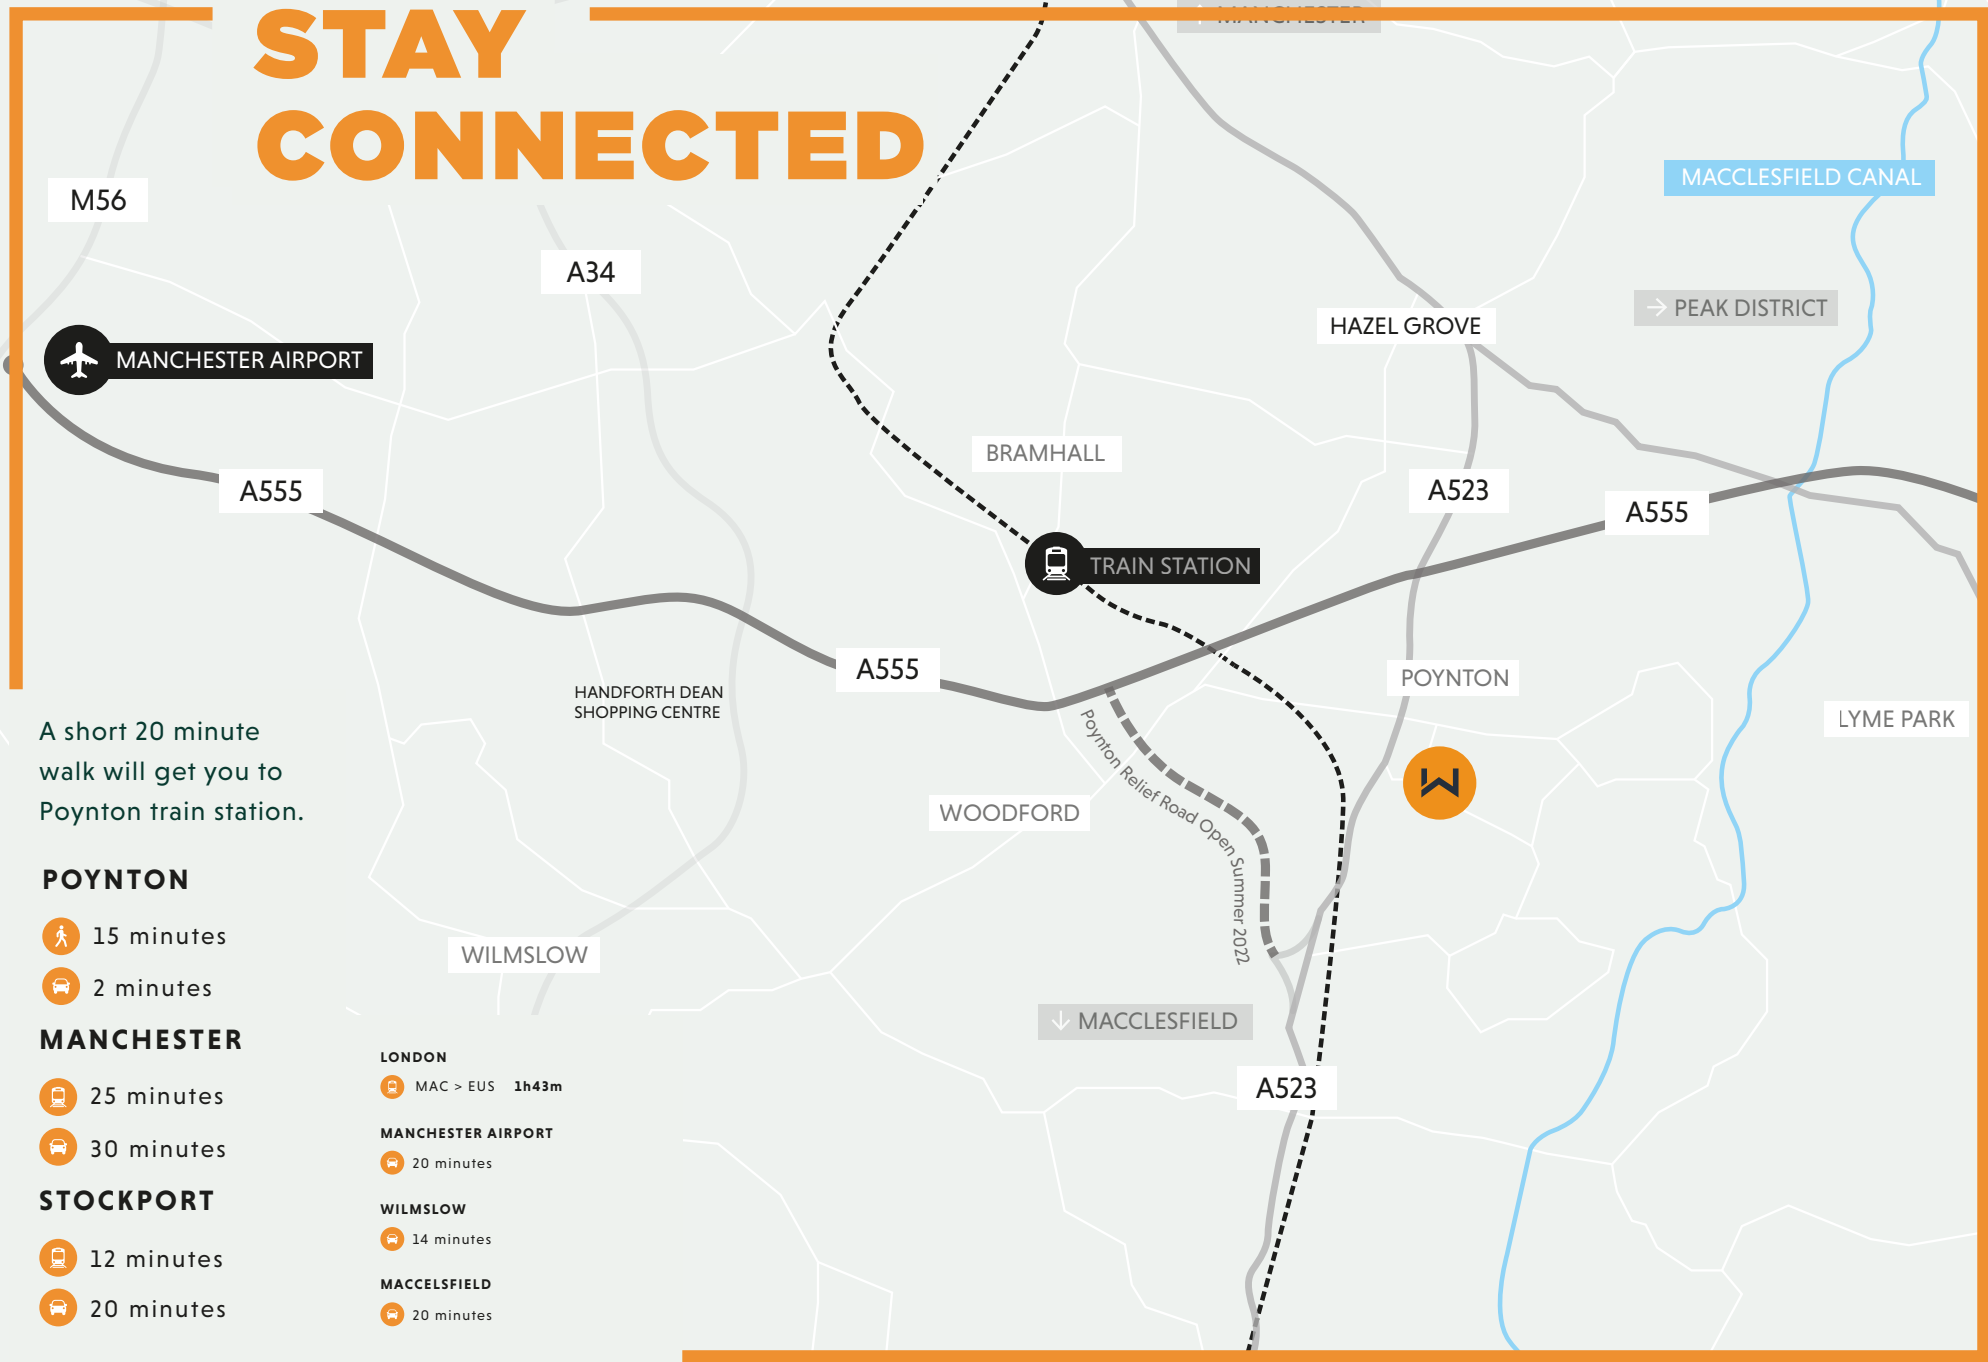

The apartments in Woodview are being sold on a leasehold basis as it is usual practice for apartments, and importantly, this facilitates mutual rights between occupants of shared buildings such as this.

Our apartments are offered for sale with a 999 year Peppercorn Lease with **no ground rent payable** as each new owners will acquire a 1/34 share in the Management Company.

When all 34 properties are sold, the Freeholder (our client) will pass the Freehold to the Management Company, which is effectively ALL of the owners at Woodview who will therefore have full control of their development.
