Sidmouth
EX10 9JP

£550,000 FREEHOLD

Occupying a level site within a few minutes walk of The Byes, a two bedroom detached bungalow with two garages.

The property is conveniently situated in one of Sidmouth's more popular areas and is within almost level walking distance of local amenities and bus services along with an entrance to The Byes, a delightful riverside walk and cycle track leading to the town centre.

The property occupies a corner site, with the majority of the garden being to the rear and enjoying privacy. The gardens are mainly laid to lawn with adjoining shrub borders and there are various patio areas along with a uPVC double glazed summerhouse, which is now in need of repair. There is the original integral garage which has a personal door into the bungalow and in more recent years a larger garage has been built within the rear garden and has a further adjoining driveway.

On entering the bungalow an entrance hall has a cloaks and an airing cupboard off and the lounge/dining room is of a good size enjoying a lovely south and easterly aspect with wide bay window and a tiled fireplace with gas fire.

The kitchen connects to the entrance hall, along with the lounge/dining room and has a range of storage units along with worksurfaces and there is a built in split level oven, gas hob and cooker hood. Adjoining the kitchen is a rear lobby and WC. The rear lobby gives direct access into the integral garage and the rear garden.

There are two bedrooms, one having a fitted wardrobe and there is a separate shower room comprising a shower cubicle, wash basin and WC.

The property is now in need of modernisation throughout. UPVC double glazed windows and gas fired central heating are installed, the gas boiler being housed in the integral garage.

Coulsdon Road is a little over a mile from Sidmouth's town centre and seafront, where there are an excellent range of facilities. Within a quarter of a mile is Woolbrook where there is a range of shopping facilities and bus services.
