To either side of the hall is the sitting room and dining room, both being well proportioned and having feature Minster fire surround, the sitting room has a gas coal/log effect fire, both rooms enjoying a westerly aspect.

The room also offers space for a washing machine, tumble dryer and fridge/freezer. A rear conservatory area has electric underfloor heating, enjoys an east aspect and gives further access to the driveway.

The first floor landing enjoys a lovely outlook over the garden and has a further WC/cloaks off, and a box room with Velux window offers excellent storage.
