SITUATION

Maple Croft is situated in a semi rural location on the north western outskirts of the town, along a quiet country lane adjacent to a family owned redundant farm. The hamlet known as Lufton offers a church and nearby specialist college. Yeovil town centre is within 3 miles, where an excellent range of shopping, recreational and scholastic facilities can be found, together with a main line rail link to Exeter and London Waterloo. The nearby village of Montacute is within 2 miles of the property, with its National Trust House, primary school, pubs, hotel, village stores and garage/shop.

DESCRIPTION

Maple Croft is a stunning six bedroom, individually designed detached house, constructed of block cavity and faced in local Hamstone and is set beneath a slate roof. It is hugely energy efficient and benefits from oil fired central heating, with individual zoned underfloor heating on the ground floor and radiators on the first and second floor. The property also benefits from solar panels and an electric vehicle charging point. With regard to technology there is a central ipad which controls the Sonos music system, alarm, lighting, heating, electric gates and the CCTV. Much of the ground floor enjoys attractive engineered oak flooring, together with travertine flooring, which is throughout the kitchen/dining/family room, with its glass lantern roof and bespoke kitchen, with quartz worktops. As well as three reception rooms, cloakroom and utility on the ground floor. There are four bedrooms, one with an en-suite and a family bathroom on the first floor, together with a snooker room, which could convert into two further bedrooms, if required. On the second floor is a reading area and two further bedroom suites, both with en suite facilities. Outside there are electric gates, protecting the driveway together with an integral triple garage/workshop, with hydraulic lift along with attractive garden to rear and adjoining paddock, together with additional outbuildings including large log store, tractor shed and workshop. In all the grounds extend to approximately 0.4 of an acre.
